

Hi, i am **WD** Designer Web Developer

Hi, I'm Dwi — a passionate Web Designer & Developer who loves turning ideas into interactive, high-performing websites. With over 3 years of experience working with Webflow, I focus on building clean, consistent, and technically optimized websites that not only look great but also perform smoothly. I've worked on multiple Webflow projects — from landing pages to full-scale websites — and I'm currently managing [symson.com](https://www.symson.com).

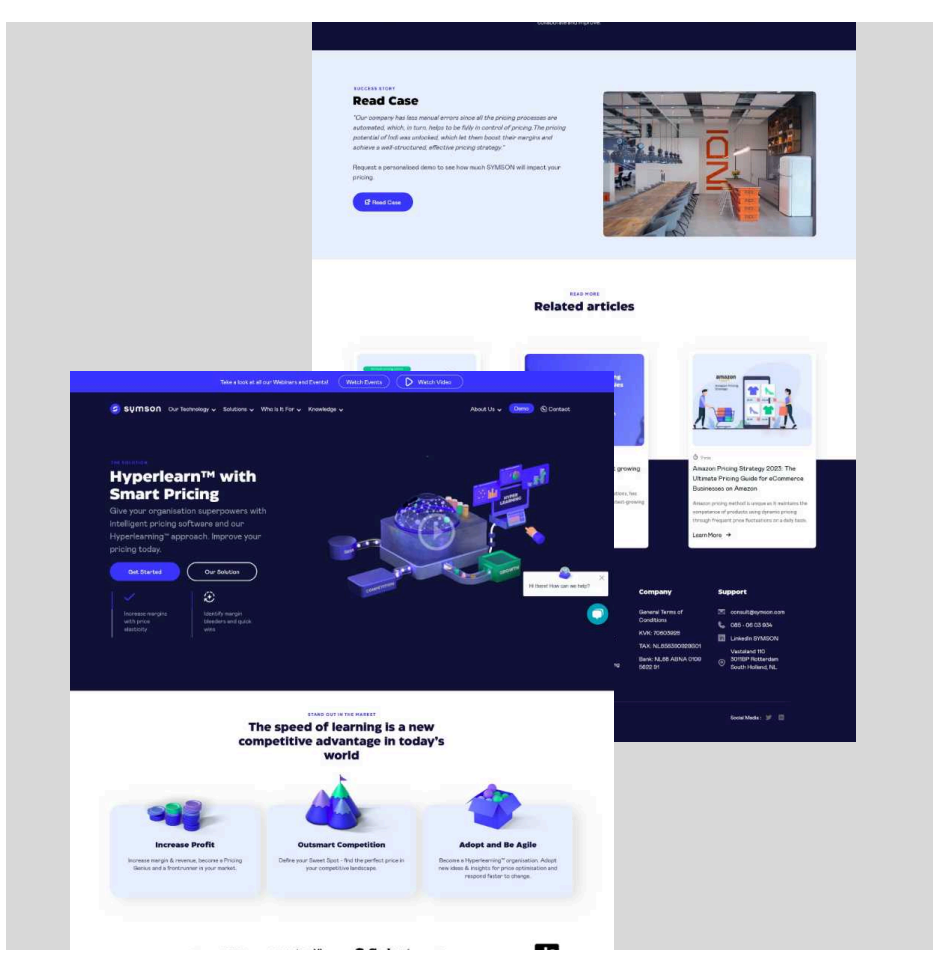

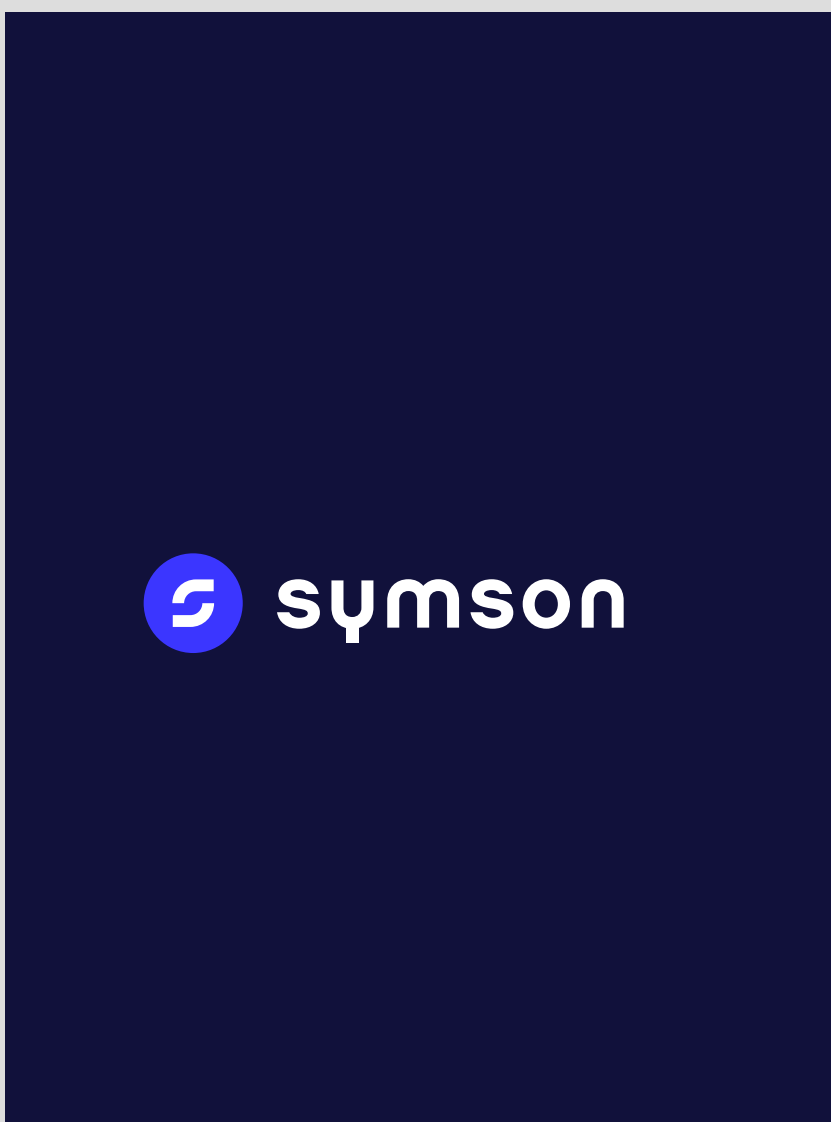

Before that i also have Experience in Web UI/UX Design, Logo, Brand Identity, Email Template, Presentation, Annual Report and WordPress theme design & development. Have a good capabilities & knowledge in HTML, CSS/SCSS, and Javascript to make static and dynamic mobile friendly/responsive site based on UI Design. Attention detail to design, grid, layout, and performance of website.
