PROFESSIONAL SUMMARY

Hi, I'm Dwi — a passionate Web Experience Designer & Developer who loves turning ideas into interactive, high-performing websites. With over 3 years of experience working with Webflow, I focus on building clean, consistent, and technically optimized websites that not only look great but also perform smoothly. I've worked on multiple Webflow projects — from landing pages to full-scale websites — and I'm currently managing symson.com webflow.

Before that i also have more than 5 years Experience in WordPress theme development, Web UI/UX Design, Brand Identity & Logo Design. Have a good capabilities & knowledge in HTML, CSS/SCSS, and Javascript to make static and dynamic mobile friendly/responsive site based on UI Design. Attention detail to design, grid, layout, and technical SEO & performance of website.
